

leave the new jersey do not call law in effect. why does the fcc
and it's priveledged puppet boy michael powell continue to make
themselves public enemy number one. you work for us, and must
listen to our voices. good job on the howard stern fiasco too you
fascists! now I've got to pay to hear him next year. this
religious right is out of control, and you are their puppet!

thanks for nothing!
